

IOWA STATE ACACIA CHAPTER FOUNDATION

Acacians Working Together to Ensure the Future of the Iowa State Chapter

Established 2019

2024 Year-End Financial Report to Alumni

Your **IOWA STATE ACACIA CHAPTER FOUNDATION** is five years old. The Foundation was established in November, 2019 by Brothers James H. Davis #489 and Harold D. Zarr Jr. #813 with an initial investment of \$1,150. In this short time period, the total assets of the **FOUNDATION** have grown to more than **\$680,000 dollars!** This success has been due entirely to the generous financial support of the alumni and friends of the **FOUNDATION**.

The Foundation Board is working hard to ensure that the maximum amount of our donor's contributions are serving each alumni Brother's objective. This report is intended to provide information to the alumni so that everyone will know how their contributions are being used to support the members of the active chapter and the alumni board. The **ISACF** Board covers all of the expenses associated with this report. The **ISACF** uses the cash-basis of accounting for compiling reports. This means that we recognize income and expenses in the period in which the cash is actually received or expensed from our various accounts.

Many thanks to **Craig Buske** for adding the capability to make online donations to ISACF via credit card, debit card, and bank transfer. Zeffy was chosen for several reasons, including:

- 1) **No monthly fee for the ISACF**, which keeps our overhead down and means more of your donations go directly to the young men of Acacia;
- 2) **Zeffy works exclusively with nonprofit organizations** and is experienced in dealing with the kind of issues they face with fundraising and legal/tax compliance; and
- 3) **No mandatory processing fees for donors** and no mandatory diverting a portion of donations to cover processing fees.

We hope the addition of this easy-to-use option will encourage and allow more of our brothers to contribute to our worthy cause. Instructions are provided on the donation form with this report. Our thanks in advance to everyone for your support!
